Attached please find the quote to convert two twin beds into a king size bed.

The existing two bed heads covered with a special material matching with the rest of the room including curtains. The proposal from TAPISSIER SEIGNEUR is to undo partially the two bed heads, assemble them and redo the cover to make it one. The base of the twin beds will be assembled and one single piece over the mattresses will turn the whole into one single king sized bed (200x190cm).

The overall price VAT included is to 4,951.44 €.

Please advise.  
Thank you,  
Bella
