>>> Hi Merwin and Karyna...Nili is asking if we still have their old mattress that we replaced due to the leak in  
the ceiling above...I told her I was pretty sure it went back with the delivery people (they promise to take your  
old mattress away)...The new mattress is apparently too soft for them and they get back aches...she doesn't  
want to make a huge deal of it she says...I am wondering if we have a king mattress in any other apartment we  
could switch it out with...but I don't think we have king size in anyone else's apartment...wasn't sure what Sue  
had? they want firmer...
