Thanks Karyna
I am working on getting a schedule set up for each Cabana
Having to stage everything in the ballet room, where All Pintos
Items will be placed until Cabanas are complete
Will let you know if require any further info
Thanks again

In regards to your question about the curtain height for the cabanas, please see below the curtain order description.

120" L are for cabana 1

108" L are for cabanas 2,3,4

The curtains should touch the floor slightly.

Please let me know if you have more questions or if you would like to face time.

Thank you.
Karyna
