Good morning Karyna,

This particular scan is not working. It comes out at about 50% of the size and when I try to enlarge it on the copier it gets very blurry. Can you scan it, save it as a pdf attachment and attach it to the email rather than imbedding it in the email? I need this to look like an original. Thanks.

With warm regards,

Cecile de Jongh

Hi Cecile,

Please see attached the color scan. Hope this works.  
Please let me know if you need anything else.  
Thank you very much for your help!  
Karyna
