Hi Karyna...the Jet Blue website states your flight to PB is delayed 40 minutes. You are now scheduled to depart at 1:51pm (instead of 1:11pm). This being said, the airline states delayed flights leave as soon as possible so please be at the airport 6–90 minutes prior to the SCHEDULED departure time...just means you get to sit in the airport longer...your flight is due to arrive at 4:42pm. You should continue to monitor your flight.
