# *Life Around The Assemblage*

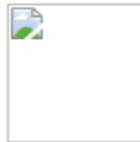

*"Through consciousness, our minds have the power to change our planet and ourselves. It is time we heed the wisdom of the ancient indigenous people and channel our consciousness and spirit to tend the*

*garden and not destroy it."*  
*- Bruce Lipton*

## **Coming Up at John Street**

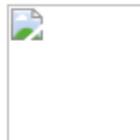

Let's talk about hair, from the rise of the non-detergent movement to the unseemly amounts of waste the beauty industry generates, with Michael Gordon, founder of Bumble and bumble, Purely Perfect, and Hairstory.

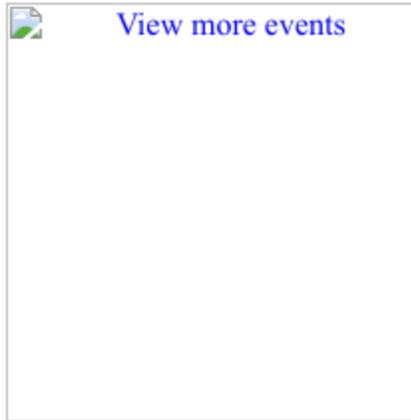

**RSVP**

Come to this engaging workshop learn how to make decisions and navigate your relationships and career as your most authentic self, with the most ease and least resistance.

**RSVP**

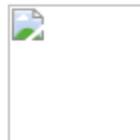

## Featured in MOZAIC

What is the future of humanity? What will be the repercussions of artificial intelligence? Deepak Chopra, Anahita Moghaddam, Mo Gawdat and Susanna Choe explored these questions at The Assemblage John Street, and came to one thesis: Inseparability, or the perpetuation of oneness, compassion, and love, is the answer.

## Member Spotlight

Amanda Pinelli, co-founder and managing director of CYCLEffect Regenerative Ventures, understands the value of the circular and regenerative economy. Its goals include having companies "invested in each other's successes; reward multiple forms of capital through ownership; and continue to innovate on ways to serve the entrepreneurs with the aligned mission of honoring all life."
