perfect! Thanks..

These apts are so annoying.. worked all day with Karyna [REDACTED] and [REDACTED] going through the hundreds of Crate and Barrel boxes.. ugh!!! So much shit to get rid of from the kitchens and closets. It's awful. Will be so nice when they are done. It really is a ton fuck of work.

So so so much shit to buy and go through and sort. Blech

Curious where you found the bed for China room? It's a whole new headboard? can you send a pic?

Anything new for TVs by chance?
