Thank you. Those on my name are for Palm Beach kitchen (replacement for the existing bar chairs). Those with Karen's name on it are for the island.

I'll leave my office unlocked tomorrow morning, so you can pick up the boxes for PBi and the others that need to be shipped to LSJ after you drop JE off at the plane..

If you take the tape off the front office door on the top lock, the door will lock behind you after you load the boxes,,

Thx
