Do you have the original order number?
Or what is the company name?

I need to take a look at the invoice to see what was ordered.

Thanks!

Hi Estefania,

I ordered a bunch of things from Marisa, and our plumber is telling us that the faucet we ordered from you is metric and the plumber could not do the final tie in. He is trying to locate a converter and wanted me to ask if you can provide one?

The faucet is N161010031 574.20 30.00

IRTA CP BASIN MIXER W/WHITE INSERT
IRTA CHROME SINGLE HOLE FAUCET W/WHITE INSERT

Please let me know. Thanks.
