Dear Mr. Indyke & [REDACTED],

The three plywood crates left Wewak PNG yesterday on Air Niugini Airway bill # 656-06144714. They are addressed to Tropical Shipping address below. On each box there is are three copies of the Invoice and a copy of the National Museum Export Permit which are needed to clear customs in Florida. Please give the customs clearing people my telephone number, [REDACTED], in case they need assistance with the clearing.

Attached is a copy of the Invoice on the box. I am waiting on a copy of the export permit and will forward it as soon as I receive it.

Most of the airfreight for the US goes through Singapore and the boxes would have got to Port Moresby in time to catch the once-a-week flight on Monday afternoon. Therefore the boxes should be in Florida this week.

Best
Lesley

Dear Mr.Indyke and [REDACTED],

I have just had confirmation that the permit to export is being sent from Port Moresby to Wewak to my brother today to ship the bark panels. Grace Guise, the permit officer at the PNG National Museum is going to send the permits to

Wewak today. I have asked her to send them TNT to speed them up and I will repay her. If you need confirmation for this process please feel free to fax the Museum at 011 [REDACTED] to either the Director Dr Andrew Moutu or the permit officer Grace V. Guise. The Museum email is not working. Telephone numbers for the Museum are [REDACTED], however I have not been able to get through on these and have only been able to get Grace on her home phone.

Best

Lesley Martin

PS [REDACTED] I have put the address of the freight forwarder to be placed on the permit, with your name first. Should any other name be on the airway bill?
