Greetings Mélanie,

I am following up with you to assist with the logistics for the upholsterers as per your request last week November 22nd. I am available on my cell phone [REDACTED], or the office [REDACTED].

We may also want to consider the possibility of the supplies being provided for the upholsterers here, so they do not have to worry about shipping the tools to the island and back.

Any updates you have on the shipping of the curtains and curtain rods would also be greatly appreciated.

Thank you and kind regards, Daphne

Dear Daphne,

I apologize for my delay in responding.

We will indeed work with the same carrier but we must find a solution so that the supplies (iron, drill, fixing material) of the upholsterers pass the customs formalities

Do you have a phone number to call you this afternoon?

Best regards

Greetings Mélanie,

Our offices are closing for the next 4 days for Thanksgiving holiday. I wanted to touch base with you for any shipping details you have on the curtains and curtain rods for LSJ. We presume you are using the same Freight agent, Bob Lynch, as with the furniture, but they have received no information as well.

Kind regards, Daphne

Objet : LSJE, LLC - Curtains and Curtain Rods - November 15, 2018

Greetings Mr. Huguen,

I am reaching out to you as follow up to your email of 12 November to Karyna that you are waiting first for the freight agent's answer to know when the curtains will arrive on St. Thomas. [REDACTED]

informed me today that curtain rods are also to be sent to the island.

I contacted Chimene of Bob Lynch Movers, the agent that received the 40' container of furniture. She has no correspondence at this time of this shipment.

If arrangements have not been made as yet, we will stand by for further information. We will assist with on our end in anyway that you need us to.

Thank you and kind regards, Daphne
