Hi Rich,

Please see attached the receipt for the mattress order. It does not show exact dimensions. I forwarded [REDACTED] email where she wrote the measurements.

Thank you!

Morning Karyna
King Mattress 80 x 79
Queen Mattress 80 x 60

Also we still need another 3 more chrome cabinet knobs for the master bathroom
2 more if you wish also the replace the dark ones in the toilet area

Also we still have the sq bar stool bases, shall I put them on the next plane back to the states?

I will chat with the carpenters about beds, but doubt if there is an easy solution
Let me know how you wish to proceed

All the best

Hi Karyna

Some bad news the canopy beds are to short for the base/mattress, by at least 3 inches

I will review options about what we can do either way it will not be easy and let you know

All the best
