Dear Melanie

Thank you for all the information, if you could please forward shipping details of the curtain rods. Based on the expected 10 day delivery time frame, this would fall into USA Thanksgiving, with most freight forwarders and mailing services closed, hence would be helpful if we could track delivery.

Would we be able to confirm a date for the upholsterers to be on site?

Could you provide a list of equipment - ladders etc that would be required, so we have everything on site ready for their arrival

Please advise if we need to arrange accommodation or if there is anything we can do to assist with this project.

If you have any questions or concerns please do not hesitate to contact me

Kind regards

Dear Karyna, Dear [REDACTED],

Please find enclosed the boards showing how to install the furniture.

I'll keep you informed for the delivery of the curtains. This should be done quickly.

There will also be 2 shades with the curtains to replace the ones you have that have small spots.

Best regards

Hello Karyna and [REDACTED]

The curtains with new rods are ready to be sent to LSJ ,I didn't want to send them before as I was aware of the humidity

I didn't know you have some rods,but we have new ones rusted proof and of course the sizes of the new curtains

So it should take about 10 days I imagine to arrive and Melanie my assistant will tell you when the upholsterers will be able to come.

Melanie also will send you the boards showing how to install the furniture.

I hope you are all fine

Regards

jean

Morning Karyna
Reference curtains in Cabanas we need to know the following
Estimated time that it will take to install curtains?

Are they providing rods or are we using what you purchased from Pottery Barn?
If using what we have on site I assume we will
Not install until Pinto on site so they can work on correct height for what they have
We will be moving furniture into Cabanas next week so need details from Jean at Pinto
Please advise
Thanks
