Dear Karyna, Dear [REDACTED],

Please find enclosed the boards showing how to install the furniture.

I'll keep you informed for the delivery of the curtains. This should be done quickly.

There will also be 2 shades with the curtains to replace the ones you have that have small spots.

Best regards

Mélanie LE MEUR

Hello Karyna and [REDACTED]

The curtains with new rods are ready to be sent to LSJ ,I didn't want to send them before as I was aware of the humidity I didn't know you have some rods,but we have new ones rusted proof and of course the sizes of the new curtains So it should take about 10 days I imagine to arrive and Melanie my assistant will tell you when the upholsterers will be able to come.

Melanie also will send you the boards showing how to install the furniture.

I hope you are all fine

Regards

jean

Morning [REDACTED]

Reference curtains in Cabanas we need to know the following

Estimated time that it will take to install curtains?

Are they providing rods or are we using what you purchased from Pottery Barn?

If using what we have on site I assume we will

Not install until Pinto on site so they can work on correct height for what they have

We will be moving furniture into Cabanas next week so need details from Jean at Pinto

Please advise

Thanks
