Greetings Karyna,

Thank you so much for doing this. I will stand by and keep you in the loop as well.

Kind regards, Daphne

Good morning Daphne,

I spoke with Mr. Epstein about the GSJ staff cottage project. He said that it is not a priority at the moment and would like for me to concentrate on the LSJ cabanas instead.

With that said, I think we should wait. I will get back to you when I have updates.

Thank you,

Karyna
