Hi Daphne,

Thanks for letting me know. I did not know what those emails from quality bath were at first. Now I understand.

All the best,

Karyna

Greetings Karyna,

The porcelain valve broke in the shower of Cabana 3. Kyle (construction coordinator) requested we reorder (2) rough volume controls, one for the repair and one for stock.

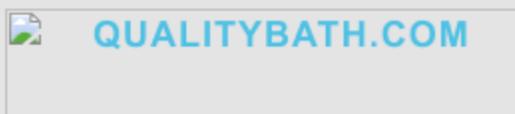

I placed the order this morning with Quality Bath. Once the parts are in stock and ready to ship, they will ship via Fedex to PBI. Unfortunately they do not ship outside of the continental US. I will ask Renato or Carluz to Fedex to us, or put on the plane if it is more efficient.

The charge of \$332.52 will appear on your card. It is a LSJ expense - plumbing repair for Cabana 3.

Kind regards, Daphne
