>> Jojo told me you would be taking these table and chairs today. Just confirming that is the case and wondering if you can take them before 12pm as I'm having a cleaning lady come at 12pm today to clean up the apt since furniture is starting to be delivered. Also, if you happen to have at least one AC you could put in [REDACTED] living room today before the cleaning lady comes, that would be great since its so hot out! Let me know..thanks
