

11J

Washer/dryer unit going in coat closet outside bathroom

Ceiling fan with light in the bedroom

Wire for cable on all 3 major walls in living area

No crown molding; put baseboards like 2G's

Can we remove the radiator in the bathroom?

We need to change the direction which the bedroom door opens; hinges should be on the left, doorknob on the right so it swings open in and to the left

We are putting 2 over head lights in living room area

Dropping ceiling outside bathroom and coat closet and putting 2 recessed lights.

Will need a light in the coat closet and a light above where washer/dryer is going

Will need a light in both closets in bedroom

The switches for kitchen light will go on the wall on the right outside the kitchen; 2 switches, one for ceiling light and one for under cabinet lighting.

**Bathroom:**

Wall tile: Porcelanosa's Glass Blanco PV 12"x35"(A) Item #P34704611

Floor tile: Porcelanosa's "Planic Arena" 23"x23" \$7.77sq/ft

Install the shower fixtures on the large wall(same as 14G)

Install a seat and shelves in the shower(same as 14G) ***Please make sure the built in shelves in shower are the same dimensions as 14G's***

6 puck lights in the ceiling(**on dimmer switch!**)

Move sconce from 14G over medicine cabinet to 11J; **on dimmer switch**

2 switches for the lights will be moved to the right side as you walk in to accommodate the pocket door in the bathroom.

Put a recessed med cabinet like 4G's, but have the whole thing mirrored

Make the bathroom door a sliding pocket door(like 14G)

Toilet: use one from 14G

Vanity: Still sourcing

**Shower fixtures: All Dorn Bracht(All item numbers and models below):**
