Hi Tabitha,

I sent this email to [REDACTED] earlier. It should have all the info needed hopefully to get a rough quote. Please let me know if there is anything else you require.

Best,

Hello [REDACTED],

I was in your showroom briefly on Friday and was interested in getting a quote for the ArtCraft Laura LP Terra Bianca kitchen cabinets. I have attached photos of my current kitchen which I want to replicate the layout of along with a very rough sketch of the measurements of the cabinets. Can you please send a rough estimate for this. And is it possible to order a sample of this cabinet? I need to match my wood floors and floor tile with the kitchen cabinets and it would be very helpful to have a sample to use while searching for these items.

Thank you for your help,
