Hi Manny,

We liked the SETTELLO fabric for the sofa, that you sent to us. Please advice what would be the lead time for production and delivery to NY?

Thank you very much!

Hi Karyna, good afternoon.

See attached the picture of the SETTELLO fabric (the same we are using for the pillows you just ordered). I believe, based on your needs, this would be the best fabric for the sofa. Please let me know if you have a sample, if not I can send you another one.

For the BLUE fabric, we sent you all the options we had, if you need an specific color, the best way is for you to find it.

We also do COM, and you could buy the fabric and mail it to us. We would be in charge to send it to Brazil for production.

About the sofa, it can be done all in fabric, or if you prefer we can do the structure in leather and the cushions in fabric.

I will be waiting for you response.

In regards of the St. Thomas project, please let us know when Jeffrey could come to our showroom so we can proceed forward with the project.

With his presence we think the project can be expedited and we could finalize it sooner.

For any other questions or concerns, don't hesitate to contact me.

Best regards,  
Manny DeSouza
