Hi [REDACTED],

We are having sample chips of the LP Terra Bianca and HP Crystal Microline sent to our showroom. Are you able to pick them up in the showroom or is there an address to send them to?

Let me know when you have a chance.

Thank you,
Tabitha

Hello,

Is it possible to get and/or borrow a sample for the ArtCraft Frameless Laura MDF/LP Terra Bianca so my client can see it and approve it? He won't approve it without seeing the actual product. Please let me know if possible. Thanks.
