Subject: Life can be short; Art is forever!

Date: Sun, 17 Mar 2019 04:05:03 +0000

With a broken heart, we share the sad news of SAKAEGI Masatoshi
栄木正敏 (1944- 2019) suddenly passing away on Feb.27, 2019.

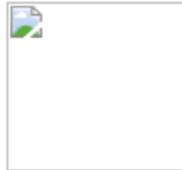

Beatrice just had another great time with him and his wife a week ago at his studio. Sakaegi san has been active in the ceramic world in Japan for decades, as a ceramic teacher and designer, he is well respected and collected by major museums all over the world.

Sakaegi san was so excited to be part of our ASIA WEEK exhibition. Unfortunately, this is our first and last exhibition of his works. Our heart goes to his wife and his daughter. We are honored to work with him. Life has no expiration date, live fully and whole heartily.

Art is forever, thank you, SAKAEGI san, RIP.
