Anthony, Here is the invoice from 14G shower fixtures. Please note I've chosen a larger shower head for 11J and a different hand held shower than 14G's. The showerhead I'd like is

TARA .LOGIC

Rain shower with ceiling connection

Article number: 28589970

and the handheld I'd like is:

Tara.

Hand shower set

Article number: 26402892

All in chrome finish
