Dear Karyna,

Would you like me to speak with him? Do you think this is Marc being obstructive or acting on instructions from a difficult owner? Frankly I don't understand why they need all this information. If an offer is on the table they either accept it or ask for more. Once a price is agreed, then it's up to the buyer to perform. Only if the buyer fails to perform should they start to be difficult.

Let me know if you want me to talk to him.

As ever,

Mark

All was sent and each time more stories why nothing delivered by them. Anyway I've given up and will put an offer in on another house.
