I asked Karen if she knew where these items might be stored. She said the rods were repurposed for GSJ. She said the curtains are in a marked bin. I will continue searching for them today. We may need to reorder both. [REDACTED] - did Karen order those or did you?

The countertops are scheduled for the first week of May. I sent the wire transfer request to Rich on Friday for the deposit. She needs this payment ASAP to order the materials so that they will arrive in time for install. We still need to select color for countertops in tiki kitchen. I will send you more info on that today. If we select this by Friday they can also be installed the same week.
