This is the invoice for the Miele washer dryer and a Bosch dishwasher for my place. This includes delivery and installation and 8 year warranty for each appliance. I paid \$500 deposit for the washer and dryer, but is refundable if I change my mind.

The Miele washer and dryer are the top of the line (and most expensive). There are 2 other models that are less. Also not sure about the warranty, if I should go without or with a shorter one. I know this is very expensive.
