Hi Bella and Rich,

We have a shipping coming from Paris to Palm Beach (from the Conran shop) with dishes and kitchen wear. I received this message from IBC agent in Miami, who told me on the phone that they have the package in Miami and need further documentation in order to clear it.

His email is forwarded below.

Please advice how shall we proceed.

Thank you.

Karyna

Hello Karyna

This email is in regards to your shipment coming from The Coran Shop. Please provide your customs broker contact information and I will turn over documents for clearance or fill out attached Power of attorney giving IBC authorization to clear U.S. Customs and FDA. Contact me with any questions.

**The Power of Attorney must be validated. Here are ways the POA can be validated:**
