> I'm wondering if it's possible for you to come back and do a final measure of my bedroom closets as well as another measure of my coat closet. Apparently the ceiling height in my bedroom closets has changed since you measured and my lovely contractor thinks it's a good idea if you came back to measure(as do I.. I don't trust him to have followed the proper measurements I gave him and want to make sure it's all correct)  
> They ended up splitting the coat closet into 2 separate closets, so will need to have that remeasured too. I'm available all day Tuesday and Wednesday if there is a time which works for you? Sorry for the inconvenience!
