---

I thought JE they knew it wasn't going to work out due to Alejandro's visa issues. Guess JE didn't say anything when he spoke to them. What should I tell them?

Hi [REDACTED],

We haven't heard from you and were just wondering if Mr. Epstein was still planning on a trip here.

We assumed we would hear from you either way.

Hope you are having a wonderful summer!

Thanks,  
Lori & Alejandro
