Hi Tabitha,

I would like to proceed with one of these samples for the kitchen cabinets. My client still needs to decide which one he likes, but the color is definitely perfect for the project. Would you be able to send someone to do a proper measure and put together a final design of the cabinets with interior dividers, etc? Thanks very much,

Depending when they arrive, I should be able to pick them up in your showroom. If I'm out of town, I will have you send them to me at [REDACTED] [REDACTED]. If you could let me know when they arrive and I will let you know whether I will pick up or if you should send. Thanks!

Hi [REDACTED],

We are having sample chips of the LP Terra Bianca and HP Crystal Microline sent to our showroom. Are you able to pick them up in the showroom or is there an address to send them to?

Let me know when you have a chance.

Thank you,

Tabitha

Hello,

Is it possible to get and/or borrow a sample for the
ArtCraft Frameless Laura MDF/LP Terra Bianca

so my client can see it and approve it? He won't approve it without seeing the actual product.

Please let me know if possible. Thanks.
