One other request for dinner. From Kappo Masa instead of the salad that they get with the lettuce that I don't like that much. Would it be possible to switch it out for the eggplant with honey and the baby back ribs? I know that's two things for one. :-) Everything else I like that they normally ordered. Thx

Food from [Kappo Masa](#) would be very much appreciated. For dessert from Saint Ambrose the chocolate mousse with the chocolate custard inside and cookies would be fantastic. This is our standard request from now on.

As always Thank you,
