Thanks so much for this [REDACTED]!

Who is Norma and could you pass along her contact details in case any of us need to reach her?

I have heard no more on the possibility of going to Aspen on 11th or Boris on 17th. I guess we wait and see (unless someone else has heard something?)

I will follow up with Steve Hanson's office today re arrival time to Moriarty tomorrow. Will Brice pick them up?

Hi Everyone,

OK, no problems, as of date still require plane details/arrival time for Steve and Renata at Moriarty on Friday, I will be travel back to LSJ that day, I will work tomorrow at giving direction to Norma so she can assist Francis

I still have on my schedule that JE was travelling to Aspen on Sat 11th for the day, possible Boris arriving 17th - any update on these?

I have Darren and family arriving at the Ranch on 18th of Aug for the day, as of date Brice will be on site for that.

Brice and I will be returning to the Ranch around the 11th - 12th Sept, will firm up date closer to the time JE has requested that we have some time off when Jo Jo and Lyn are away, hence will forward dates once in hand

Any other changes I will let everyone know

Warmest regards

Hi All...I just received an email from Jeffrey basically saying we all need to communicate better when it comes to him and what he is doing... Apparently some scheduling has changed and I did not know about it...Barnaby is coming tomorrow at noon for lunch , not at 9am anymore and he is leaving at 5pm...Jeffrey wants to make sure we communicate his schedule with each other, that we all know what hotels he is staying in, we should all have each other's cell phone number programmed in our phones (including Darren's ([REDACTED]) Etc! (mine is [REDACTED] btw!)

So if you are making schedule changes or finding out about timing ...just anything when it comes to Jeffrey, we need to all CC each other on an email so we are all aware of things.

I don't see why Brice [REDACTED] need to know what is going on in NY while JE is here unless it involves flying to the island or the ranch (ie: i will not cc you on every appt I make for JE when he is in NY) But, we need to all be kept in the loop as much as possible...if I make an appt for JE while on the ranch and then it is changed by one of you, I need to be kept abreast of it.

thanks for understanding and all of us trying to help out and work together! :) Les
