---

Hey darlin. [REDACTED] trying to get more info for you about Sunday. It has been raining nonstop here all day so I've been cooped up in the trailer all day. B's mom is here too and I've asked her for input, but she said it's been years since she's been to this track and can't really give me much input. We were going to go ride around on the golf cart to get our bearings, but with the rain, hard to do. We are planning on doing it tomorrow. I think I would plan on getting here fairly early to pick up your passes, find parking, find me, etc. They usually set up a trailer outside the track area to go pick up your passes first, then you can drive in and park. I hope to have more info tomorrow!
