March Home Report

Blueberry 5

Show the planet some love for Earth Day.

Every year on April 22, countries around the world observe Earth Day and the fight for a clean environment. This year, let's remember how special our planet is and show it the love it deserves.

Since October 2011, Nesters have saved

 kWh of energy.

That's equivalent to the amount of CO2 emissions reduced by taking over 2 million cars off the road for an entire year. Carpool anyone?

[Learn more >](#)

Energy savings are an estimate, not a guarantee that you will save energy.

Protect your account with more than a password.

It looks like you haven't set up 2-step verification. It works as an extra layer of security to help ensure that no one else can sign in to your account, even if they know your password.

Video of the month.

Saving energy is one way to score.
Here's another.

Every day we get video submissions from Nest Cam users.
Check out our top pick for the month.

Your video could be the next video of the month.
