Dear All,

Our AED defibrillators are due for preventative maintenance.

After speaking with the service agent it appears the best way for us to proceed would be for each of you to schedule maintenance individually for each property. You will need to ship the defibrillators to them and they will ship it back once the maintenance is done.

Merwin, Carluz, [REDACTED], Ana: please see the email below and call Cardio Partners number to schedule maintenance. They will give you all the necessary information on how to proceed. Since this is very important, please everyone confirm back to me once you have the defibrillators shipped and receive them back from maintenance.

We currently have the following quantities for each property:

NY x 1 + 1 in the box for the airplane
Palm Beach x 1
Ranch x 2
Island x 2 (1 on LSJ, 1 on GSJ)
Paris x 1 (I will have to take care of that separately)

Please confirm back the receipt of this message. If you have any questions, let me know.

Thank you all.

Karyna
