Good day, Karyna,

Evelyne needs a sample of the fabric to develop the estimate. Some fabric samples from Christopher Hyland were left on the table in the kitchen. Would one of these happen to be the fabric he selected? If so, may I know which one, and may I loan her the sample?

Thank you,
Stephanie

Yes, we can supply the foam.

Also, We would like a small sample piece of the material that LSJ are supplying to reupholster the banquette. Then I can work up an estimated cost for doing the Banquette (including the cost of the foam).

We'll want a deposit before we order anything and schedule this job to be done.
Will let you know estimated cost sometime this week.

It's possible that I might need to get into one of the Banquette seats to determine how that foam is shaped. Does anyone know the original manufacturer of the banquette seats and when they were done?

Evelyne

Good morning, Evelyne,

The owner would like to replace all the foam. Would this be something we can purchase through you, or would you recommend a supplier?

40 yards for the banquette. We determined that some seats need new foam, too.

Good day, Evelyne,

Fabric has been selected for the banquette for LSJ. It is 54" wide. Could you please advise how much should be ordered based on your most recent measurements? I appreciate your help.

Thank you,
