She's great, right? I met her once and talked to her about helping me with TSS before when Law and I went our separate ways but even then, I was wedding planning so didn't see it as a good investment then. So we have been in contact over email ever since.

My guess would be about \$2000-5000 depending (this is based off of rates she gave me in 2011).

You are too funny- its addicting and you will want to pin all the time! ☺ xo

Just looked at all her stuff... amazing.. love it. How did you find her? Do you know her? I'm so retarded when it comes to all these online sites and blogs; I really need to immerse myself in it all and play catch up. How much do you think it would be to hire her? I guess it would depend on what it would all entail and what we would want her to do.

Love the Pinterest page! amazing and inspiring.. I'm afraid to touch anything until I know exactly how the site works! I don't want to mess anything up.. I know.. I'm retarded..

On the island now wasting my time with stupid work. Meeting JE in a few, then he's leaving the island for a few hours.. lets try and chat a little later...

Hey!

So I wanted to update you on what I have done since our convo- I have update the TSS FB page, taking out the stuff about Larie and myself and revamping. We need to brand it- and I was hoping this girl Bri could:

<http://www.designlovest.com/>

I think she's amazing and would do an awesome job. Only thing is \$\$\$, which I don't have right now due to Wedding budget lockdown.

I also created the TSS Pinterest page: <http://pinterest.com/>

Please look it over and critique and ADD!!! User name: [REDACTED] PW: [REDACTED]

We can set you up as a user but for now this will be easiest.

I think we should come up with a timeline in terms of when we want to hit major milestones- like rebranding, official blog/site (maybe we just use flicker?), book outlines, etc.

Let me know what you think! xo
