Hi Karyna thanks for the info I will let you know also do you have someone good to install this locally if not I have excellent people for that and Painting of course if you have some good local you don't have to deal with transportations  
I will be in touch  
Best  
Steve

Hi Steve,

Just wanted to send you the info for the wallpaper that I showed you today. The walls in the room are 20ft10in wide x 9ft10in heigh (I have enclosed the photos below)  
The wallpaper place is called Ananbo <https://www.ananbo.com> (and the photo of the wallpaper is at the very bottom)

Thank you so much for your help!

Karyna
