Hi Richard,

I have a candidate that could be good for the family, has the right service mentality and has worked in two formal homes: Maria is 47, US citizen born in the Philippines. She is completely unattached, no husband or kids or pets, can travel internationally with her US passport, has good skills in housekeeping and is liked by kids, can drive with own car, can cook nice meals, has great presentation, is fit and quiet. No gossiping but a good team player. Most recently, I placed her in a temp job at a castle in Kings Point with one of our great clients who requires top formal housekeeping skills (not on the resume). Files are attached.

Would you like to interview her this week?

Thanks,

Lorenz
