JE said you guys have wheelsup tonight at 11pm to NYC. David Blaine will be flying with you to NY. I will have Janusz at airport for you guys and will book a car for David Blaine.
Can you guys pls make sure you have some plane snacks. Maybe see if the hotel can do some things for you to take on plane; sandwiches, fruit, pastries perhaps since its going to be a red eye flight would be prepared with a few breakfasty things. I'm assuming JE has muffins, yogurt, etc..
