[REDACTED], JE plans on taking you with him to paris on Oct 6th, then on to Kiev, London, Angola, Senegal, Ivory Coast. I believe you will need a visa for London? How is your visa for France coming along? Also, do you have record of your vaccinations? I want to make sure you are up to date for Africa. You will at least need a Yellow Fever shot if you haven't had one in the past 10 years. Do you know?

[REDACTED], do you have your vaccination records as well?
