hi [REDACTED],

i was just about to e-mail you..

unfortunately i have to stay here a little longer., sorry i cant start your apt right now as i told you. i had to do here some major repairs at my mother's house and i thought everything will be done at the end of september, but the project turned in to a big construction mess, so i'm stuck here. i have to stay here like two more weeks.

i booked my flight back to new new york for sept. 19th to be sure. if you can wait until then, i can start your apt. right away.

sorry again.. and thank you,
ion
