They told us last week on the day that they had promised to ship it that they did not have the leather to upholster the seats. So...we are trying to source a fabric JE will be happy with from here and send to Paris. He wants a green fabric. I have packed some in the red bag that will be taken off at LSJ. [REDACTED] can you please unpack the bag and put the fabrics and the green and black photo frame that is in the bag on his desk.

Apart from the fabrics, there are some products in the bag to be put in the master bathroom and some new sweatshirts for him and 2 bags for the guest rooms.

They will also bring the equipment that Francis uses to prepare the meat sous vide.
