Hi Maura, I'm traveling at the moment, but may have more information in New York. I can check next week when I'm back. It doesn't tell you much now, but the pieces were originally purchased from Alberto Pinto the interior decorator.

I will be in touch next week with any more info I can find

Dear Ms. [REDACTED],

Thank you so much for contacting Leslie Hindman Auctioneers. I have passed the photos along to our Fine Furniture specialist and will let you know if we can handle this for you and if so, what our auction estimates would be. Do you have anymore information on the furniture? The history of it? It is always helpful!

Thanks,

Maura Ross

Hello Maura,

I received your information from Maura Smith at Christies. I have the attached pearl inlay Syrian furniture in storage in West Palm Beach(as well as the desk). I'm interested in auctioning it off and wondering if you might have any interest in it?

Best,
