Hi Rita,

I would like to use my resale number:

SLK Designs, LLC

EIN: [REDACTED]

Can you please send a revised contact without the installation costs. Thanks!

Also, my colleague [REDACTED] will be dropping off a check to you today and I will sign the contract when I receive the updated one and email back to you.

Best,

[REDACTED]

Thank you for this order. We will have to revise it w sales tax based upon your request to use you own installers.

If you have a valid resale number and care to use it for this we can accept that.

Otherwise the sales tax will be added as noted in our proposal.

Again thank you

I'm out of town now, but Anthony left the check with the doorman at the building. I can have someone drop it off to you and I can email you the signed contract. We will not require installation by you, so you can remove that from the contract. Thanks!

Hi [REDACTED],

Attached please find the contract for your kitchen. Please review and feel free to contact us with any questions. If you prefer you can stop in the showroom to review, Rita will be in the showroom all day tomorrow if your available, with the exception of a 2pm meeting. We will need a signed copy of the contract with check. Let me know what works best for you.

Thank you,
Tabitha
