Thank you so much for your amazing hospitality yesterday! We are so happy we got to spend some time with you. I'm so excited for you and your upcoming trip to Paris. Wish we were going with you to celebrate your big day. But don't worry..we will celebrate when you're back in NY!! I know it was a difficult thing to have your move to NY postponed, but I believe it is just allowing for better things to get you there instead. You are obviously a very talented girl with an amazing outgoing personality..a perfect combination for great things to happen...and they will as long as you're receptive and open to allow those things to happen!

Have an amazing time in Paris, and if you need anything at all while you're over there, or have any questions about anything, let us know. I have quite a few connections there and am quite familiar with Paris; it's like a second home. Thanks again for making us feel so at home yesterday. Look forward to seeing you very soon and to good times in the hot tub ;-)
