Hey Bella. I went ahead and ordered [REDACTED] new iphone on Apple website. I added her number on to JE's account. It will take 3-4 weeks for the phone to come and they number won't transfer over until we receive the phone and activate it in person. I think this is the best way to do it for Karyna and [REDACTED]. There are no phones available in the store and if you buy in store they have to activate there and then. By ordering online, we can wait to activate when the girls have phone in hand. Do you want me to buy the other 2 girls phones or do you want to do online? It's very easy to do. Just let me know. I will need [REDACTED] and Karyna account info if you want me to do
