I increased the number of sandwiches. There will be a total of 30 small sandwiches, the small meat platter, small cheese platter and a pound of assorted cookies.

Janusz or [REDACTED], can you also please get some red grapes and perhaps some strawberries and nice crackers to put out with the meat and cheese platters.

Janusz, the order will be ready for pickup at 11am. I would have ready at the house some trays and platters to transfer the food on to for serving as soon as you arrive back with the food.

And again, pls don't put all the food out at once. It's meant to last through the afternoon..you can put more out as needed. Thanks guys
