Hey Larry,

[REDACTED] tells me you spoke to JE a bit ago. Any update on his travel plans? Looks like Grover's being shipped off to Zorro Friday. He's at the doctor's now getting a checkup before he goes. What's the news with Muffy? Does she still need to have her battery charged up?

Also, I still have those old Medical packs in my apt at [REDACTED]. Would love to get those to you when you're in NY. If you end up staying at [REDACTED], could you go get them out of my apt. [REDACTED]

I just landed in [REDACTED] and won't be there when JE leaves town
