They are meant to be in building already moving the people out of 3M to a different apt, then they were going to do us around 11am. I left a voicemail for him, Danny the mover to see if they are still going to be there. Will let you know when/if I hear back. Will also try Andrew. Also, sent Andrew an email regarding me having a planter on my terrace that the building probably would want to bring in, but got no response. It's pretty heavy with dirt, so not sure it's necessary to bring in or not

I was supposed to fly in tonight to NY, but flight got cancelled, then tomorrow morning, but flight was also cancelled. We are going to drive back from NC tomorrow, but won't be back till late. Can you oversee Danny to do the move to 3M? I can confirm in the morning that they will even still be coming due to the storm. Are you all set and prepared just in case?
